

The adventures of two little pig boys and their mom and dad. "Once upon a time, not so very many years ago, in the days when there were fairies and giants and all things like that, there lived in a little house, on the edge of a wood, a family of pigs. Now these pigs weren't like the pigs, which perhaps you children have seen on most farms. No, indeed! They were just the nicest cleanest, sweetest pigs you ever dreamed of—not that pigs on a farm can't be clean, if they want to, but, somehow or other, no one seems to have time to see that they are clean."
